

Create Your Own Winter Wonderland!

Make a winter-themed sensory craft with ACP! You can use this activity to play with textures, introduce holiday vocabulary, and have fun with your kiddo!

DIY Snow Materials:

- Baking soda
- Shaving cream
- Optional decorations

Instructions:

Let's make DIY snow!

1. Grab a bin/bowl to mix everything in. It gets messy, so be sure to put something under it!
2. Mix together baking soda and shaving cream in about a 8:1 ratio. We used 2lbs (32oz) of baking soda and 4oz of shaving cream!
 - a. We recommend pouring in the baking soda first. Then, add shaving cream gradually while you mix to get your desired consistency!
3. Add in your decorations and have fun!

Please remember that adult supervision is necessary for a safe and enjoyable experience.
