

# I Can Explore Springtime!

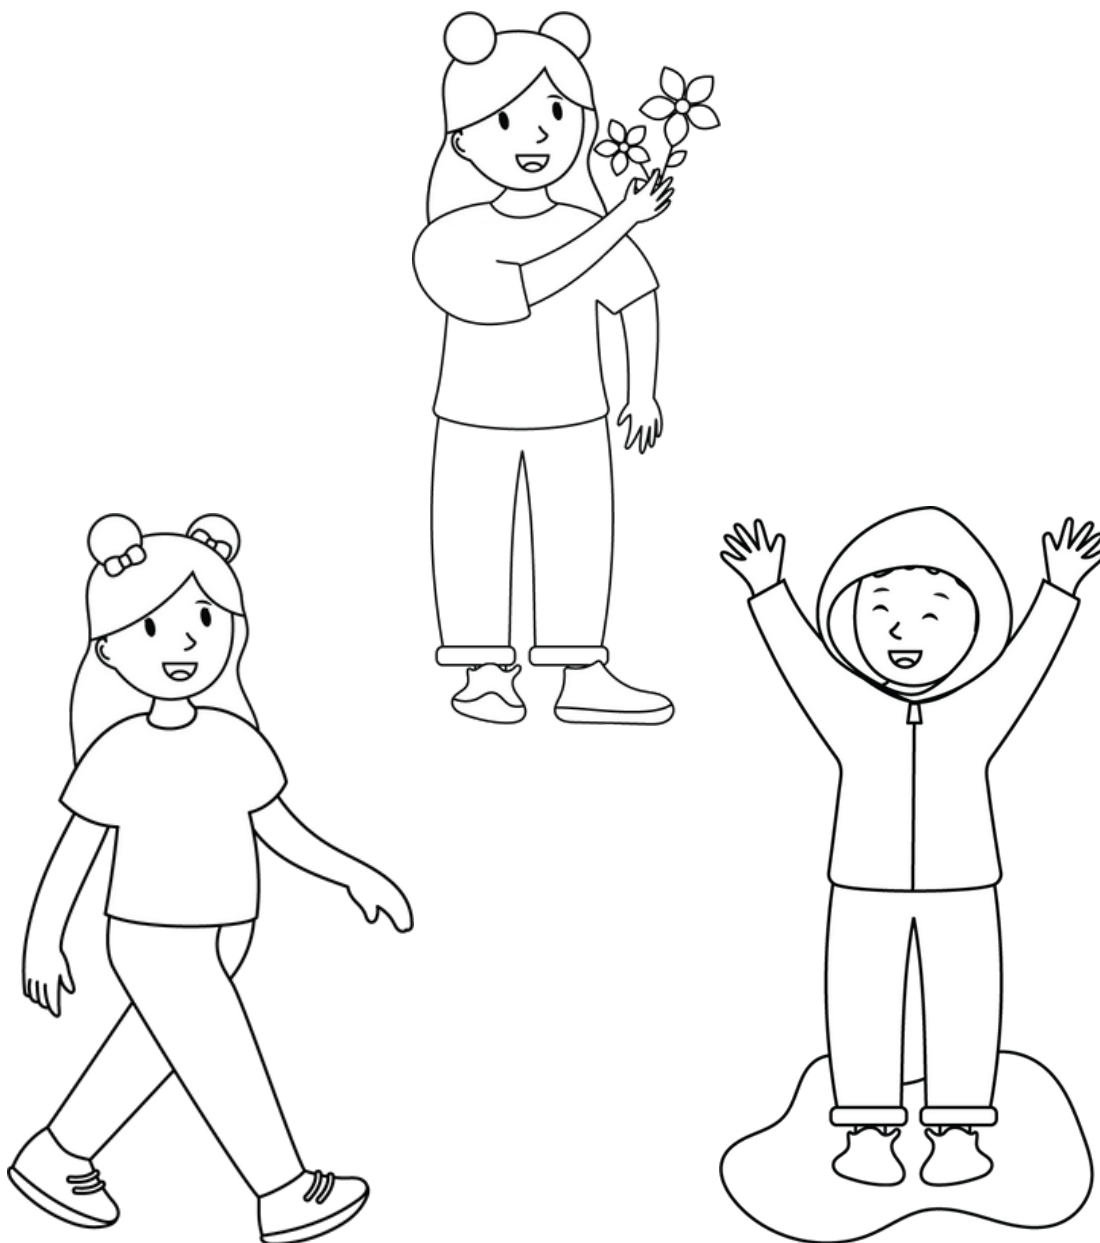

There are four seasons in the year. They are called winter, spring, summer, and fall. This season is spring. In the spring, it starts to feel warmer outside. You might see flowers start to bloom or birds start to chirp outside your window.

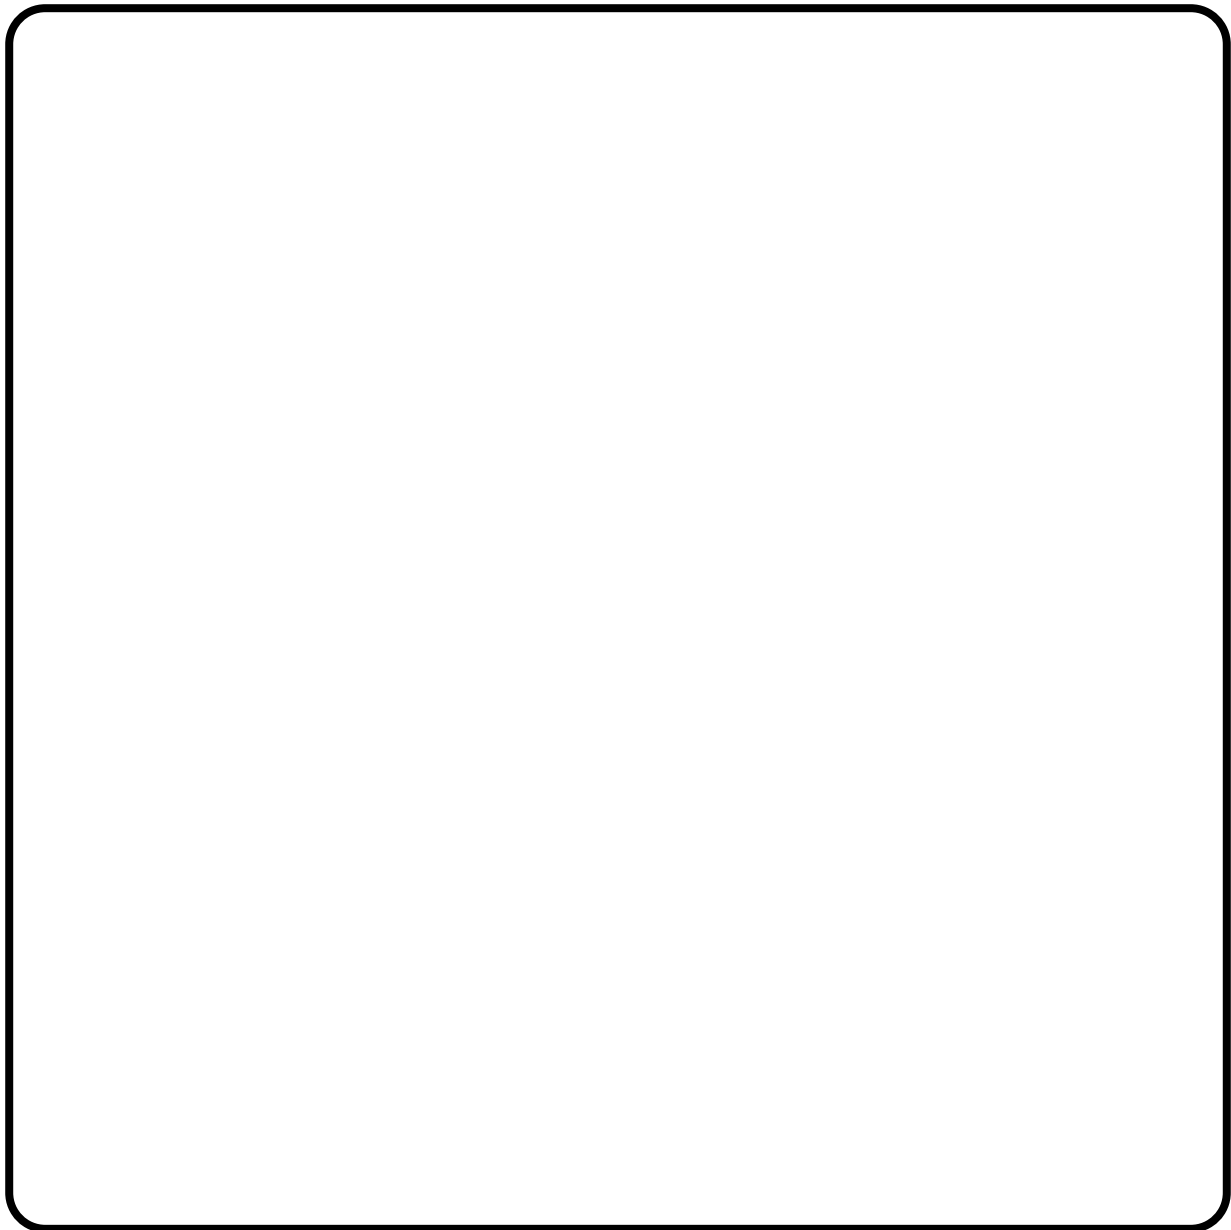

There are lots of things we can do in spring!  
Draw a picture of you or tape a picture of  
yourself in the square.

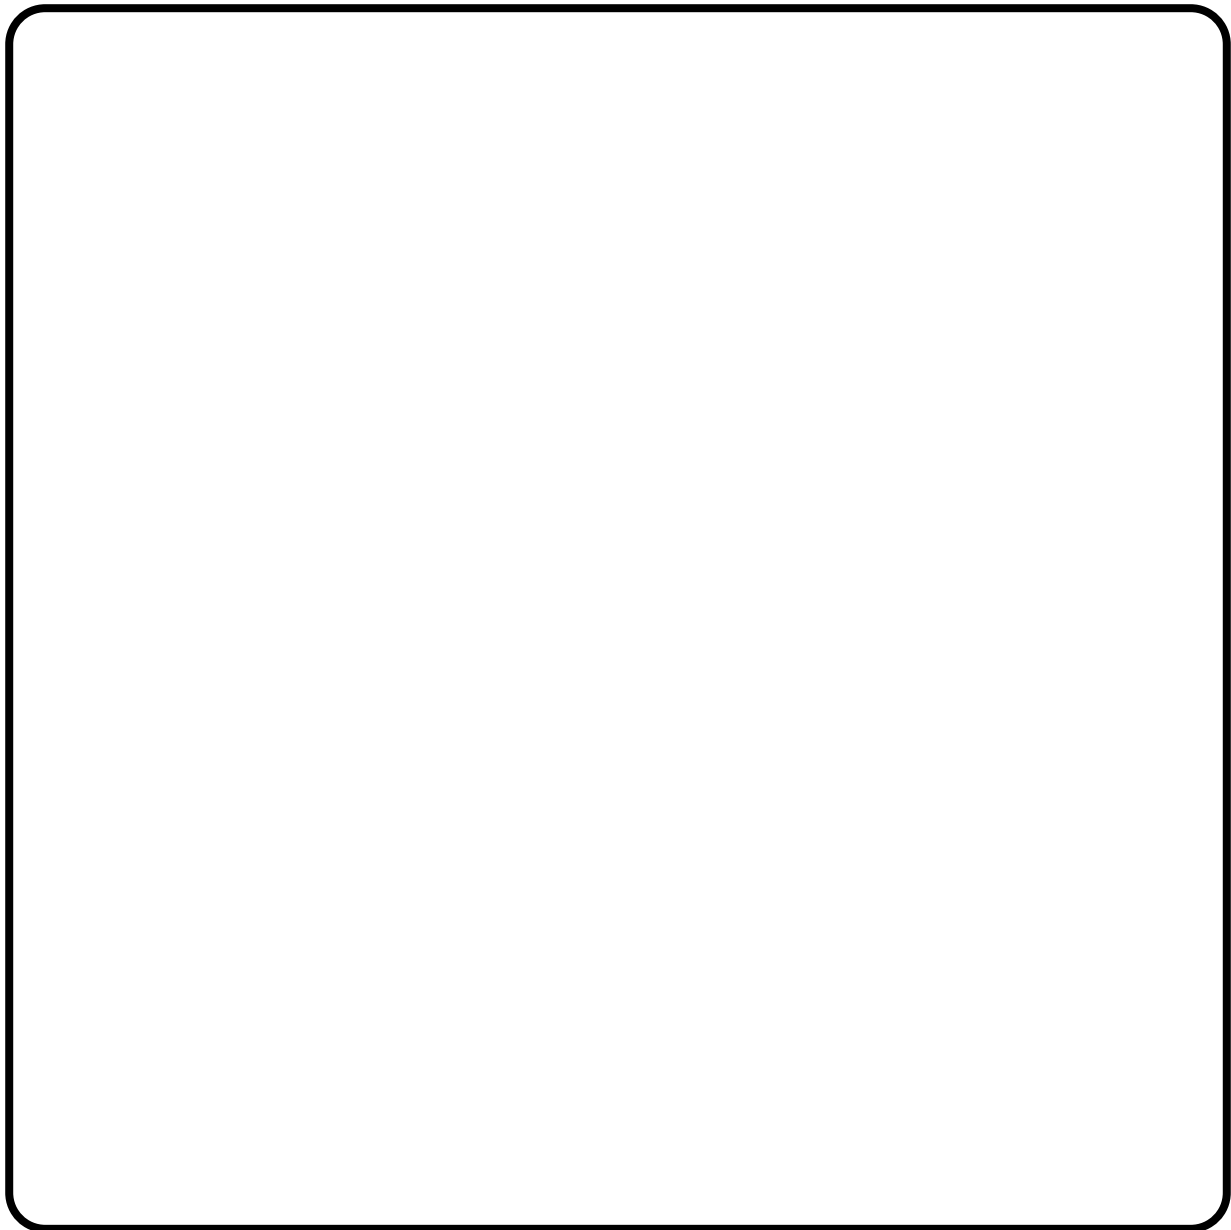

In the spring, you might pick flowers  
or play in rain puddles or go for a walk.  
Circle what sounds the most fun to you.

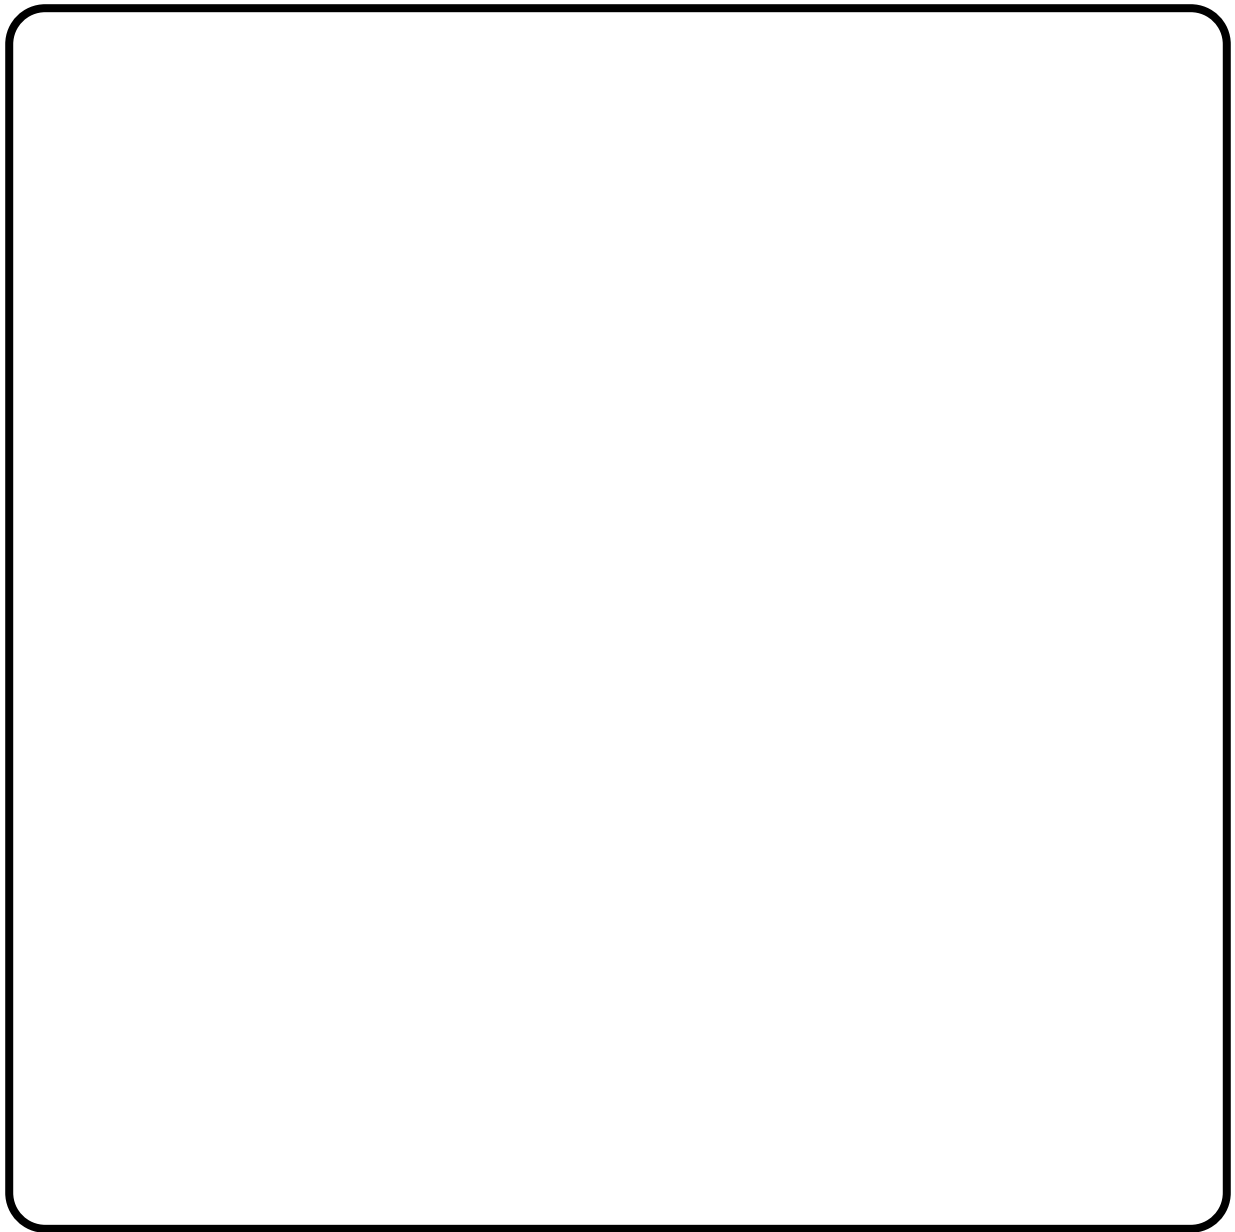

You can explore outside during the spring! Who do you want to explore outside with? Draw this person or tape a picture of them in the square.

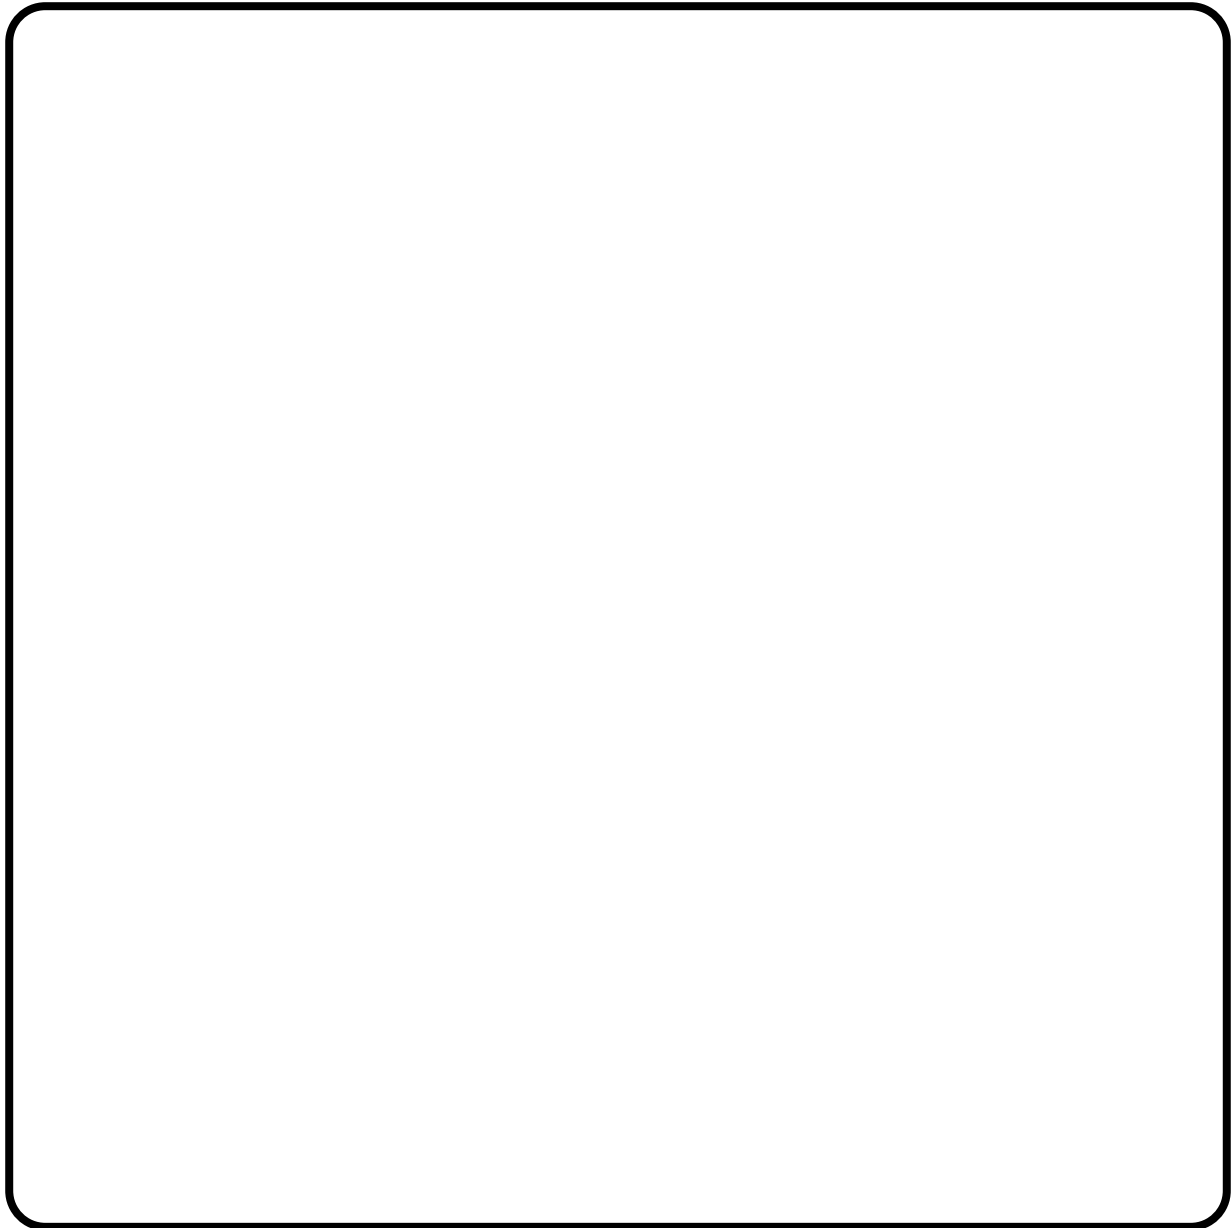

Can you find one item outside that is red?  
Draw the red item or tape it in the square.

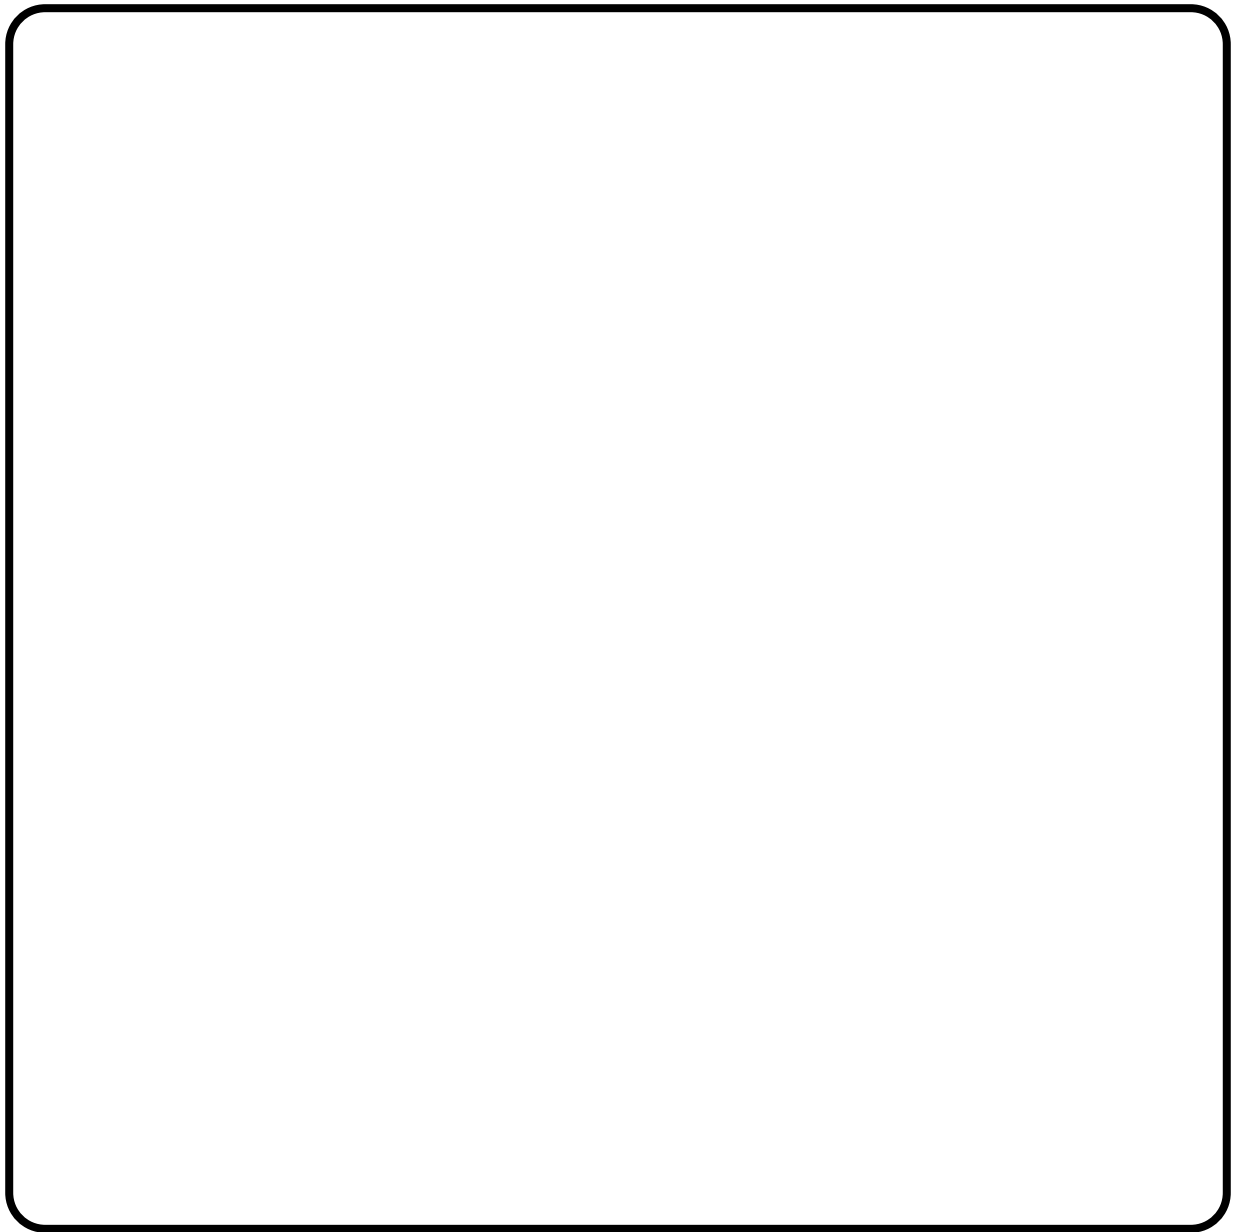

Can you find one item outside that is orange?  
Draw the orange item or tape it in the square.

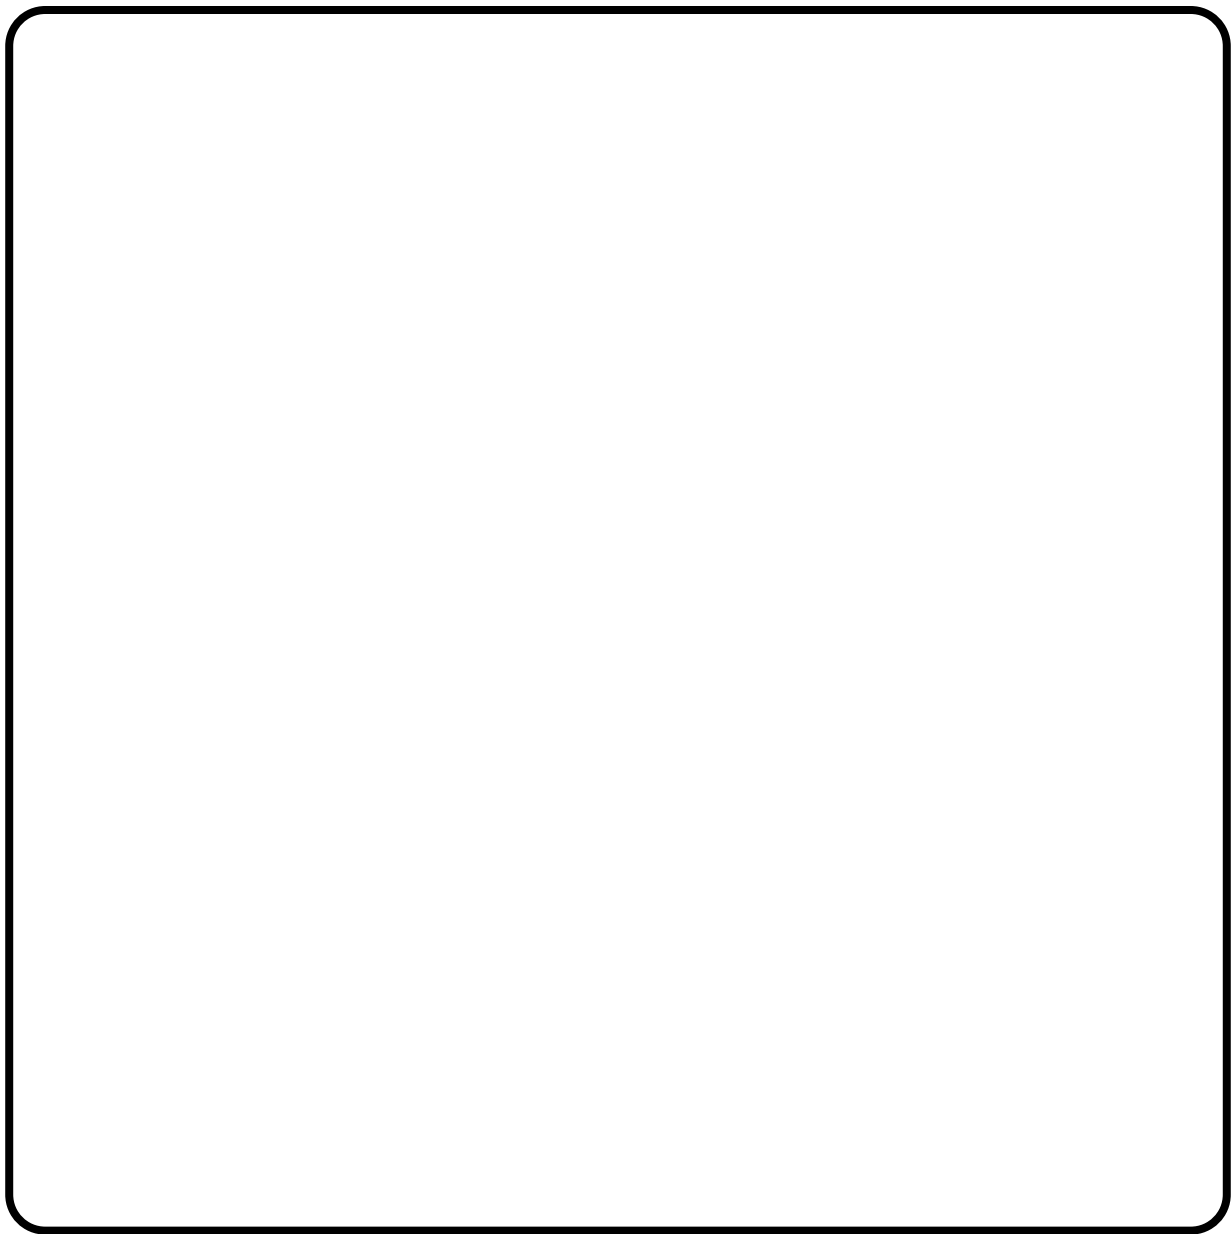

Can you find one item outside that is yellow?  
Draw the yellow item or tape it in the square.

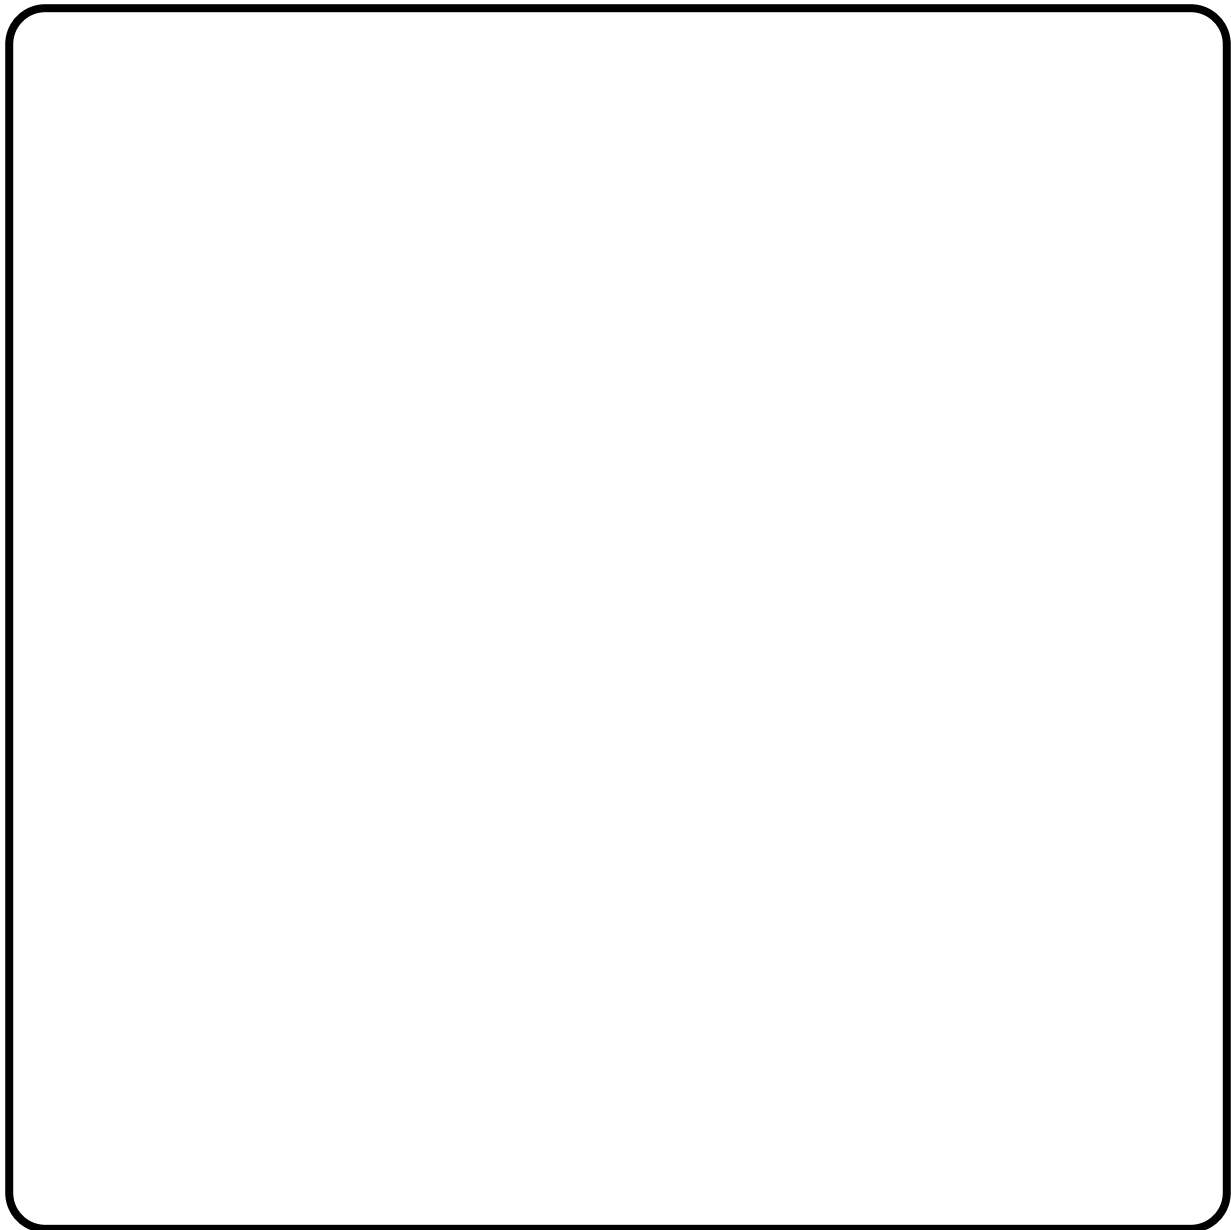

Can you find one item outside that is green?  
Draw the green item or tape it in the square.

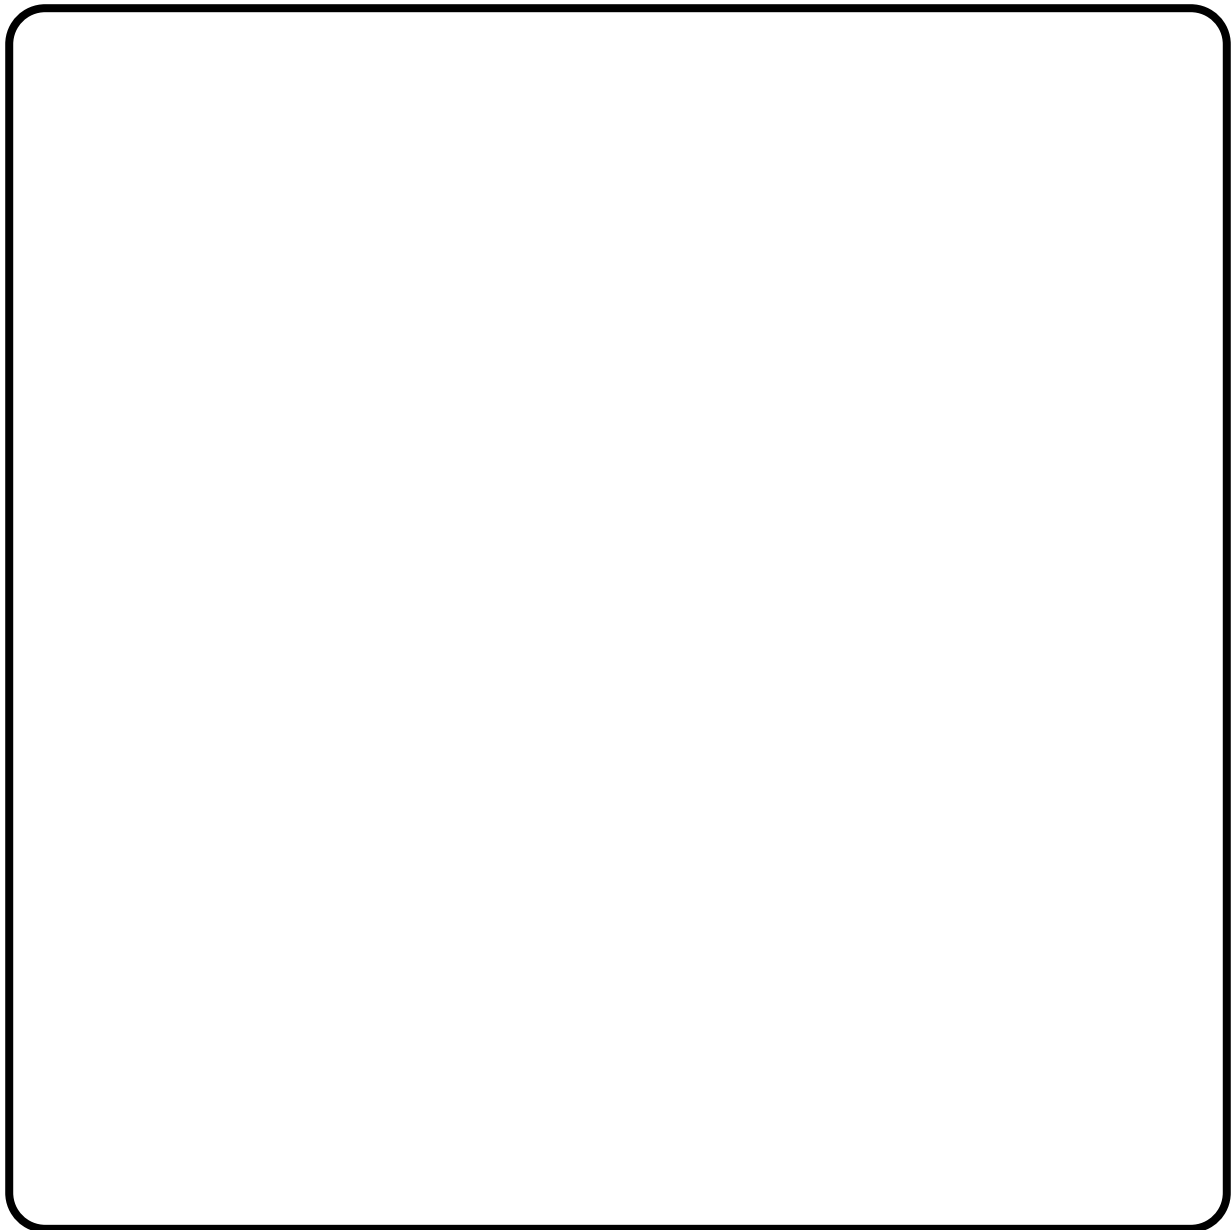

Can you find one item outside that is blue?  
Draw the blue item or tape it in the square.

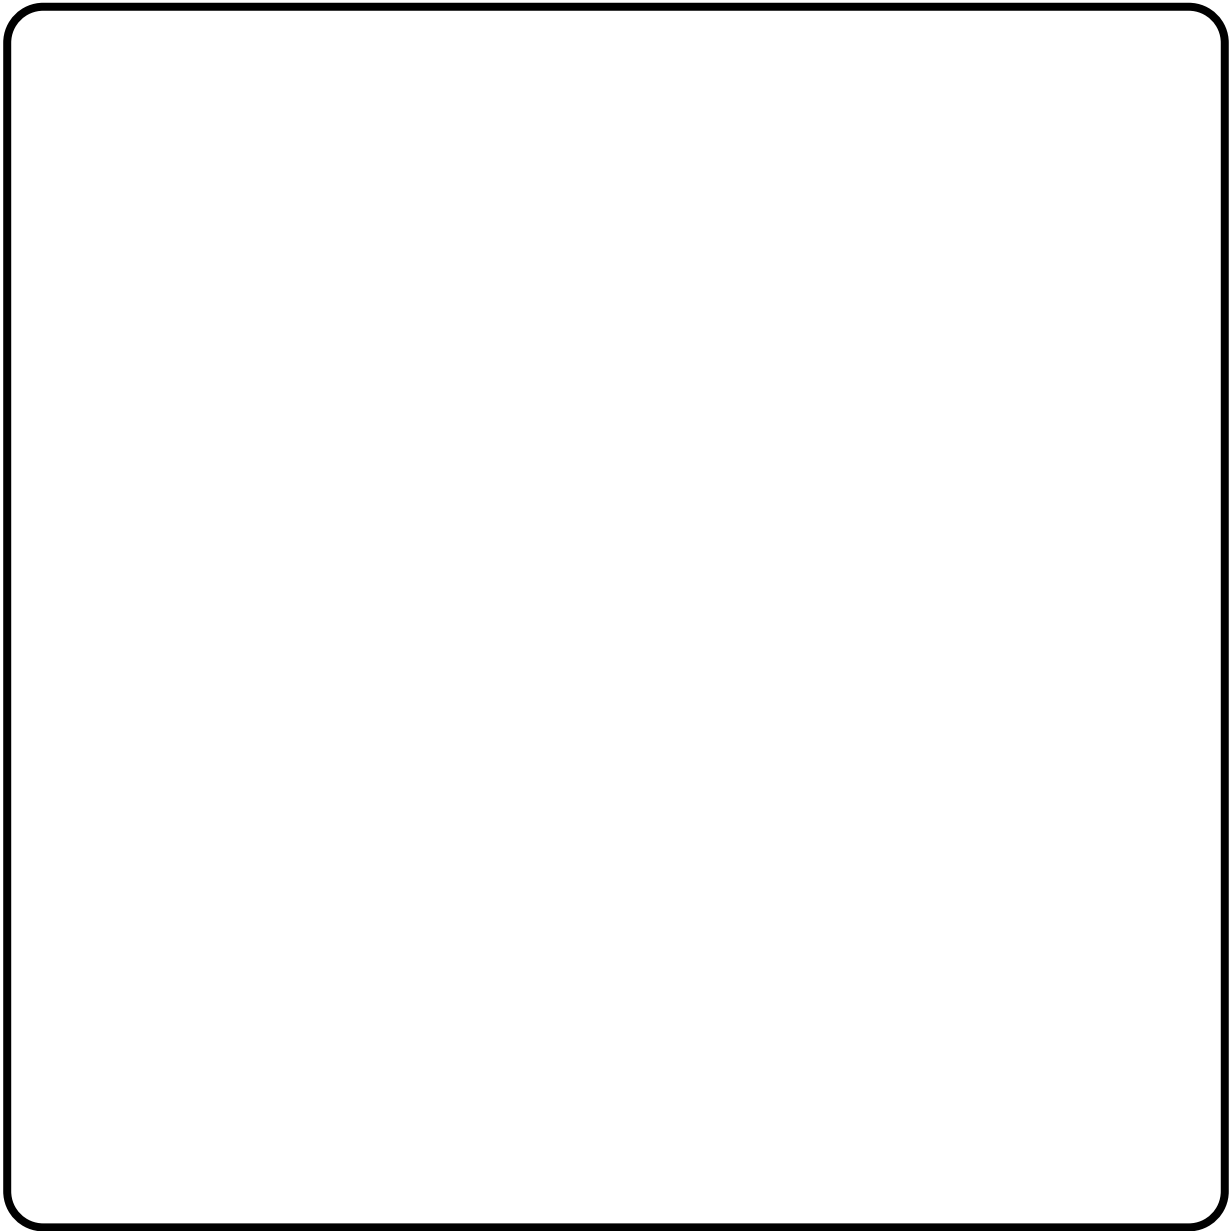

Can you find one item outside that is purple?  
Draw the purple item or tape it in the square.

Did you have fun playing outside?  
What other things can you play with outside?  
Can you draw a picture of you having fun outside?

After spring will be summer. In the summer the weather is even warmer. You might even take a break from school. Can you draw a picture of yourself excited for the warmer days?
